Ms. Sacks,

On behalf of the Respondents to the Administrative Order on Consent for Remedial Design, please find attached the cover letter and main text for the DRAFT revised Remedial Design Work Plan for the Lower Ley Creek Subsite. The compiled document as well as separate PDFs for redline/strikeout versions of the main text and Appendix A are available through WeTransfer: <https://we.tl/t-czYdqBbfB2>. The files will be deleted from the transfer site in **one week**, so please download within that timeframe. A hard copy of the draft document will be mailed to your attention for distribution to the Onondaga Nation.

Please don't hesitate to reach out with questions or comments regarding the submittal or access to the WeTransfer site.

Thank you,
